### Coventry becomes an Eco Diocese

The Diocese of Coventry is registering as an Eco Diocese in the New Year as part of our centenary celebration. Could your church consider signing up to Eco Church in 2018? At the heart of Eco Church is a unique online survey of five key areas of church life: Worship and Teaching, Building Management, Land Management, Community and Global Engagement, Lifestyle.

This free online survey and supporting resources are designed to equip your church to express your care for God's world in your worship and teaching; in how you look after your buildings and land; in how you engage with your local community and in global campaigns, and in the personal lifestyles of your congregation. The actions you take will count towards a prestigious Eco Church Award at Bronze, Silver or Gold level. Complete the Eco Survey to gauge where your church currently is in relation to the three different levels; you may find you already qualify for an Eco Church Award!

Our vision is for churches of all denominations to care for creation as an integral part of loving their neighbours and following God faithfully. Help us bring that vision to reality by participating in Eco Church. There is also a resource pack which supports the five areas surveyed and is designed to equip you and your church as you plan future initiatives and work towards gaining an eco-award, whether at Bronze, Silver or Gold level.

Care for creation is at the heart of the Eco-Church movement. 'The earth is the Lord's', declares the psalmist (Psalm 24:1). It is God's creation, not ours to do with as we please. In the Biblical creation stories God subordinates rule over creation to humans to 'fill the earth and subdue it'. (Genesis 1:26-28) But in doing so God lays on human beings the responsibility for how we manage the earth and every living creature, in ways consistent with the ways of the Owner, to whom we will have to give account. This expresses the now familiar notion of stewardship or trusteeship (Genesis 2:15). We are also called to be partners with the rest of creation and co-partners in the ongoing creative and renewing activity of God. In caring for what God has created, we care for ourselves, because in God's providence and wisdom our flourishing is dependent on the flourishing of creation. To care for what God has created is therefore also to care for each other, and especially for the poor and vulnerable.

### Candlelight Service

It was wonderful to see such a full church at our Candlelight service, so many adults and children (approximately 350).

A special thank you to everyone who helped make the service so welcoming. The church looked beautiful in candlelight with an abundance of stunning poinsettia arrangements throughout the church. We couldn't have achieved this without the help of the flower arrangers, people setting out all the candles, the Readers, choir and the lovely service conducted by the Revd Canon Barbara Clutton. Our collection raised the excellent sum of just under £500, for which we are very grateful. This will be shared with Myton Hospice.

**Evensong** - Please note that for the months of February and March, we are combining our Evensong services with the Methodist Chapel. The service will be at 6.30 pm in the Chapel.

**Bishop John** is coming to take our 9.00 am Holy Communion service on Sunday 4<sup>th</sup> February. Please come along and help us fill the church.

**Messy Church** - Our next sessions will be held on Thursday 1<sup>st</sup> February and again on Thursday 1<sup>st</sup> March from 4.30 – 6.30 pm. If you haven't been before, please give it a try; a hot meal is provided after the crafts and worship. Children should be accompanied by an adult. Everyone is welcome.
