October/November 2017

I am indebted to Paul Simmonds who took the service at Grandborough on Sunday 3rd September for the inspiration for the introduction to this newsletter. Psalm 121 begins, 'I will lift up mine eyes unto the hills : from whence cometh my help.' or in a more modern translation 'I will lift up my eyes to the hills – where does my help come from? In biblical times, the hills represented a threat and were full of unexpected dangers.

Written three thousand years ago, the question is just as relevant today. We live in a World of constant change and not always for the better. Kim Jong-un's hell-bent efforts to obtain deliverable weapons of mass destruction, coupled with Donald Trump's inflammatory rhetoric do not make a good backdrop for the advancement of World peace. Record breaking rainfall from hurricane Harvey with up to 52 inches falling near Houston in Texas and catastrophic floods in Nepal, Bihar province in North India and in Bangladesh drowning over 1000 people and destroying the livelihood of millions in one of the World's poorest regions, closely followed by the destructive power of hurricane Irma; all these illustrate the consequences of manmade climate change and how powerless we are to change the course of the natural world. Political upheaval in Europe as the UK tries to extricate itself from the EU with the prospect of a mutually beneficial agreed deal fraught with difficulties from divergent goals, both in the UK and Europe.

Where do we look for a solution to these problems? As time passes, the state of the World seems to be heading ever further away from the utopia of universal peace and multinational co-operation to raise the quality of life for all on Earth.

The Psalmist provides the answer 'My help comes from the Lord, the maker of heaven and earth'. He goes on to say, 'The Lord will keep you from all harm – he will watch over your life; the Lord will watch over your coming and going both now and for evermore'. This is a Psalm of encouragement in the face of adversity that applies just as much to us today as it did 3000 years ago. It requires us to act in faith to believe in a better future. When you are feeling down and life is a struggle, turn to this Psalm to bring you comfort.

Holiday Club

We again had a very successful Holiday Club from 16th to 18th August. 28 children visited Millholme Parc Farm where Cym Baseley showed us round her collection of farm animals, including friendly pigs, honking geese, hens, cows and several types of sheep. This all fitted well with the main theme of Noah's Ark of which the children produced fine collages and learned a wonderful Ark dance routine choreographed very expertly by Lucy Thynne. They also enjoyed cooking biscuits, singing and played games and football.

Harvest Festival/Supper

We are holding our Harvest Festival on Sunday 8th October. Please bring produce to be blessed to the service in our church at 5.00 pm. Our Harvest Supper will be held immediately following the service at about 6.00 pm in the Village Hall. Tickets are available from Jane Lee 891451, Clare Grant 891076, Laura Seago 07980 881545 or Louise Evans 07814 878470. All are welcome! As usual, we will have an auction of the donated produce for charity immediately following supper.

The PCC would like to thank those who responded to our leaflet in the June/July newsletter for additional giving to the church. If you would still like the opportunity of 'extra giving' but have not yet got round to it, please contact Eddie Kirk who can give you details of how to set up a standing order.

Thank you

We would like to say a big 'Thank You' to everyone who came along and assisted with the recent clean up at the church and churchyard. Your help was very much appreciated.

As many high level cobwebs that were accessible in the church have been cleared away – any that you see at our Harvest Service are all new ones!!! The hedges around the churchyard have all been cut and looking very much tidier.

Broadband

St. Peter's PCC would like to thank all those who support "Broadband." Your contributions have enabled the church to install CCTV, which reduces our insurance, purchase a really top-of-the-range projector and to pay for the refurbishment of the War Memorial. We would also like to thank Andrew Hull and Mark Homer for master-minding and looking after the broadband equipment.

Land's End to John O' Groats

Just a quick update on Karen's bike ride. 14 days of cycling, ten of which were over 70 miles with the others not far behind, several were over 80.

The weather, as expected was variable, a wet day to start with, some nice days some rain and wind and one very cold, sleet and rain up in the Highlands in Scotland. Challenging hills, breathtaking and beautiful scenery. To get in the mindset that every day we will be biking all day long is quite hard, but manageable. Lovely ice cream and cakes.

To date we have raised £1,200 for our lovely church towards repair of the roof. More to follow hopefully. Thanks to all who have supported. Now legs tired.

Carillon Bells - On Saturday the 19th August, the carillon was rung in the afternoon to mark the occasion of Karen Nichols finishing her cycle ride from Land's End to John O' Groats. Well done Karen.

If you would like the Bells at St Nicholas rung exclusively for YOU, then please contact Jackie Gibbard on 01788 891191.

Homemade Crafts

We have been reliably informed that we have some very talented people in Willoughby who may be willing to donate homemade crafts for the stall that St Nicholas' Church is having at Leamington Hastings Craft Fayre on 18th November, in order to raise funds for the leaky roof. Please contact Karen on 07866 572209, 01788 891435 or kjndon@aol.com and she will happily collect.
